

SILVER BANSHEE

SIOBHAN MCDUGAL

ACCURSED WAIL

Before taking a turn with Silver Banshee, if there are any Wound Markers on this card, you must choose X spaces in a straight line from her. X equals the number of Wound Markers on this card. All figures on the chosen spaces, and all figures other than Silver Banshee within 1 space of the chosen spaces, are affected. Roll the 20-sided die once for all affected figures. If you roll 14 or higher, all affected Symbiotes receive two wounds and all other affected figures receive one wound.

MAGICAL DEFENSE

When Silver Banshee is attacked by an opponent's figure that does not have the Magical Defense special power, the most wounds Silver Banshee can take for this attack is one.
