**SPEED**

THOMAS SHEPHERD

**RELUCTANT AVENGER**

When a Unique Rookie Hero you control is destroyed, you may place any unrevealed Order Markers from its card on this card. For the rest of the round, when Speed attacks an opponent's figure with any attack, that figure rolls 1 fewer defense die.

**SUPERSPEED**

Speed may move through all figures, never takes leaving engagement attacks, and does not have to stop his movement when entering water spaces. After taking a turn with Speed, if he did not use his Molecular Destabilization Special Attack this turn, he may move up to an additional 4 spaces.

**MOLECULAR DESTABILIZATION  
SPECIAL ATTACK**

Range 1. Attack 3.  
Destructible objects roll 3 fewer defense dice against this special attack, and all other figures roll 1 fewer defense die against this special attack. If the defending figure is destroyed by this special attack, all figures other than Speed that were adjacent to the defending figure receive 1 wound.
