

MARVEL

SPIDER-MAN
OTTO OCTAVIUS

SUPERIOR SPIDER GENIUS

If there is an Order Marker on this card, you may add 3 to your initiative roll, and during your turn figures you control with a Spider-Verse, Swing Line, or Web Swing special power add 1 to the roll when the 20-sided die is rolled for any special powers on their card.

"THE DIE IS CAST!"

After revealing an Order Marker on this card and instead of taking a turn with Spider-Man, you may take a turn with any other figure you control with a Spider-Verse, Swing Line, or Web Swing special power. If you won initiative this round, you may instead take a turn with up to 2 Unique Heroes you control with a Spider-Verse, Swing Line or Web Swing special power. Spider-Man may be one of the chosen figures. You may not take any additional turns.

WEB SWING 2

Instead of his normal move, Spider-Man may move up to 2 spaces with Web Swing. When moving with Web Swing, Spider-Man has the Flying special power, but may not move up or down more than 40 levels in a single swing, and will not take any leaving engagement attacks. After using Web Swing, you may use it two additional times.
