SPIDER-MAN
TAKUYA YAMASHIRO

"CHANGE LEOPARDON!"

At the start of the game, if you drafted a vehicle named Leopardon, you may place Spider-Man on Leopardon's driver space. If you do, Leopardon does not start the game on the battlefield. Once per game, after revealing an Order Marker on the card of a Unique Ranger Hero or any Unique Hero you control with a Spider-Verse, Swing Line, or Web Swing special power and taking a turn with that Hero, you may place Leopardon on any empty spaces on the battlefield and immediately use his Arc Turn Strike special power.

SPIDER-VERSE: "I AM THE EMISSARY FROM HELL!"

When attacking normally with Spider-Man or a vehicle he is driving, the defending figure rolls one fewer defense die for each blank you rolled.

COMBAT FLIP 12

After moving normally, attacking, or defending with Spider-Man, he may use Combat Flip. Combat Flip has a move of 2. When moving with Combat Flip, Spider-Man has the Flying special power, but may not move up or down more than 12 levels in a single flip. When using Combat Flip, Spider-Man will not take any leaving engagement attacks.
