

EXCELSIOR!

(FE)

If all of your Army Cards are Marvel Army Cards, then Stan Lee does not begin the game on the battlefield and you may choose a class and personality that both begin with the same letter. For the rest of the game, Stan Lee has the chosen class and personality in addition to what is listed on this card.

CAMEO APPEARANCE

Whenever a figure you control is attacked and at least one skull is rolled, if Stan Lee has not yet been placed on the battlefield, instead of rolling defense dice you may place him on an empty space within two clear sight spaces of that figure to ignore that attack.

TRUE BELIEVER

At the end of any round, you may destroy
Stan Lee and place this figure on the
Army Card of any Unique Marvel Hero
you control. An opponent may never
take temporary or permanent
control of a Hero you control
that has Stan Lee on its
Army Card.
