RAGTAG TACTICS

If no Unique Heroes in your army have the same Species or Class, each Unique Hero you control within 5 clear sight spaces of Star-Lord rolls an additional die when defending or attacking.

**DISTRACTING FIRE
SPECIAL ATTACK**

Range 5. Attack 2.

Immediately after rolling attack dice for this special attack against an opponent's figure, if Star-Lord rolls at least one skull, you may move Star-Lord or another figure you control within 5 spaces of Star-Lord up to 2 spaces. Figures moved by this special attack never take leaving engagement attacks from the defending figure. After attacking with this special attack, Star-Lord may attack 2 additional times.

LUCKY DEFENSE

When defending against an attack, if Star-Lord rolls at least one blank, you may add 1 automatic shield to whatever is rolled.
