After a figure takes a turn, you may choose a small or medium figure you control within 4 clear sight spaces of Star Sapphire that was moved that turn. Place the chosen figure on an empty space adjacent to Star Sapphire. Placed figures will not take any leaving engagement attacks.

PASSIONATE FURY

After another friendly figure receives a wound from an attack from an opponent's small or medium figure, if Star Sapphire is within 4 clear sight spaces of the attacking figure, you must remove a violet Battery Marker from this card, if possible. The attacking figure receives one wound then place that figure on an empty space adjacent to Star Sapphire. That figure does not receive any leaving engagement attacks, and that figure's turn ends immediately.
