

STAR SAPPHIRE

MIRI RIAM

POWER OF LOVE 1
Start the game with 1 violet Battery Marker on this card. Add 1 to Star Sapphire's Range and Attack numbers for each violet Battery Marker on this card. At the start of the game, you may choose one other Unique Hero to be Star Sapphire's Beloved.

'TIL DEATH DO US PART
Once per game, when Star Sapphire's Beloved is destroyed by a figure not in its army, you may place 3 violet Battery Markers and any unrevealed Order Markers in your army onto this card. When Star Sapphire attacks, if her Beloved is destroyed, she may attack one additional time.

LIVE TO LOVE AGAIN
Once per game, at the end of the round you may choose a destroyed Unique Hero in your army and remove X violet Battery Markers from Army Cards you control, where X equals the Life number on the chosen Hero's card. If you do, remove all Wound Markers from the chosen Hero's Army Card and place the chosen Hero on any empty space adjacent to Star Sapphire.
