

TALON

NIGHT OF OWLS

Before placing Order Markers for the round, if this Talon is on the battlefield and is unengaged, you may place this Talon on this card. At the end of the round, if this Talon is on this card and not destroyed, you may place it on any empty space on the battlefield, so long as it is:

- not within clear sight of any opponents' figures; and/or
- within 4 clear sight spaces of a Mastermind you control.

ASSASSINATION TACTICS

When attacking with this Talon, subtract 1 from the target figure's defense for each Assassin adjacent to that figure, up to a maximum of 3.

UNSTOPPABLE RESILIENCE

If this Talon would receive one or more wounds, ignore one of those wounds.
