

**TERRA**  
TARA MARKOV

**TERRA MANIPULATION 2**

Start the game with 2 Small Rock Outcrop Destructible Objects on this card. Instead of moving, you may place up to two Small Rock Outcrops on this card on any empty space within 5 spaces of Terra. Instead of attacking, you may destroy a Small Rock Outcrop within 5 spaces of Terra. Whenever a Small Rock Outcrop from this card is destroyed, place it on this card. Terra never takes damage from the Crumble special power.

**ROCK SHIELD**

All figures you control adjacent to a Rock Outcrop add 1 to their Defense numbers when attacked by a non-adjacent figure.

**EARTH STRENGTH 1**

Terra never rolls for lava field or molten lava damage. Add 1 to Terra's Attack and Defense numbers while she is on a lava field or rock space.
