### THE DARKNESS

JACKIE ESTACADO

**ARTIFACT BEARER: DARKNESS**

Start the game with 6 shadow tiles on this card. Before moving The Darkness, you may place a shadow tile from this card onto a space within 6 spaces of The Darkness. When The Darkness attacks an adjacent figure while occupying a shadow tile, roll two additional dice.

**UNLEASH THE DARKNESS**

After attacking with a normal attack, if The Darkness inflicted any wounds you may choose up to 3 shadow spaces within 6 spaces of The Darkness. Roll one unblockable attack die against each enemy figures on or within 2 spaces of one or more chosen spaces.

**SHADOW SIPHON**

Once per round, if The Darkness ends his turn on or within one space of a shadow space, you may roll X combat dice, where X is the number of shadow spaces within 2 spaces of The Darkness. For each skull rolled remove one Wound Marker from this card.
