THOR

THOR ODINSON

GOD OF THUNDER STRIKE

Instead of attacking, you may roll the 20-sided die for all figures within 2 spaces of Thor, one at a time. If you roll 16 or higher, that figure receives 3 wounds. This special power can only be used once per game.

MJOLNIR SPECIAL ATTACK

Range 6 + Special. Attack 4. Thor may attack one non-adjacent figure within 6 clear sight spaces, even if Thor is engaged, and any or all figures adjacent to Thor. Roll 4 attack dice once for all affected figures. Each figure rolls defense dice separately.
