

TOYO HARADA

THE FOUNDATION

Instead of taking a turn with Toyo Harada, you may take a turn with any Unique Hero you control without the Rebellious personality. Once per round, before taking a turn in this way with a Psiot Disciple, you may take a turn with Harada. You may not take additional turns with any other figures you control.

TELEKINETIC DESTRUCTION SPECIAL ATTACK

Range 3. Attack 1.

Figures may not roll defense dice against this special attack. Once per round, Toyo Harada may attack with this special attack up to six times. If Harada fails to wound a figure, he cannot target that figure again this turn.

ABSOLUTE COUNTER

When rolling defense dice against a normal attack, all excess shields count as unblockable hits on the attacking figure.

HARBINGER'S WILL

An opponent may never take temporary or permanent control of friendly figures in clear sight of Toyo Harada. Whenever a special power refers to the Mental Shield special power, it refers to this special power as well.
