

MARVEL

VALKYRIE
BRUNNHILDE

DRAGONFANG

When Valkyrie inflicts one or more wounds with her normal attack against a figure with the Magical Defense special power, roll one unblockable attack die against that figure.

DEATHGLOW PERCEPTION

If a Unique Hero you control within 4 clear sight spaces of Valkyrie is attacked and would receive enough wounds to be destroyed, you may move Valkyrie adjacent to that figure and ignore those wounds. If you do, roll one unblockable attack die against Valkyrie. When Valkyrie moves with Deathglow Perception, she will not take any leaving engagement attacks.
