

VASSAGO

HELL LORD STEED 10

Instead of moving normally with an unengaged small or medium Hell Lord you control that is adjacent to Vassago, if you revealed an Order Marker on that Hell Lord's Army Card this player turn, you may move Vassago. After you move Vassago, place that Hell Lord on any empty space adjacent to Vassago. After placing that Hell Lord, one at a time, roll the 20-sided die for each figure adjacent to Vassago that is not a Hell Lord. If you roll 10 or higher, that figure receives a wound.

HELL LORD PROTECTION

If an opponent's figure is engaged with a Hell Lord you control, that opponent's figure cannot attack Vassago.
