YAKUZA ENFORCER

MAC-10 FIRE SUPPRESSION

Start the game with a gray Clip Marker on this card. While the Clip Marker is on this card, add 3 to this Yakuza Enforcer's Range. After attacking a non-adjacent figure, you must remove the Clip Marker from this card. When a figure that was not within 4 clear sight spaces of this Yakuza Enforcer prior to moving enters a space within 4 clear sight spaces of this Yakuza Enforcer where it could end its movement, you may immediately remove the Clip Marker from this card. If you do, that figure must end its movement and you may roll the 20-sided die. If you roll 10 or higher, the figure receives 1 wound.

ENFORCER FOR HIRE

After revealing an Order Marker on the card of another Unique Hero you control that is a Mercenary, Terrorist, or Yakuza and taking a turn with only that card, you may take an immediate turn with this Yakuza Enforcer. You may not take any additional turns with other figures you control.

RUTHLESS COUNTER STRIKE

When rolling defense dice against a normal attack from an adjacent attacking figure, if this Yakuza Enforcer is not destroyed by this attack, all skulls rolled count as unblockable hits on the attacking figure.
