

PALM TREE

DESTRUCTIBLE OBJECT

PALM TREE

Whenever a special power on an Army Card refers to a Jungle Piece, it refers to Palm Tree as well.

THICK FOLIAGE

When defending against a non-adjacent attack, a small, medium, or large figure adjacent to Palm Tree may roll 1 additional defense die. A figure cannot receive more than 1 defense die from Thick Foliage or Jungle Pieces.

FALLING PALM TREE

If this Palm Tree is destroyed at any point during your turn, before removing it from the Battlefield you must choose 2 spaces in a straight line from this Palm Tree. Each player rolls 1 unblockable attack die against each figure they control on these spaces whose bases are not higher than the height of this tree. Huge figures are not affected.
