

## PROPANE TANK

DESTRUCTIBLE OBJECT

### HIGH-PRESSURE EXPLOSIVE

When this Propane Tank is destroyed, roll 1 unblockable attack die against each figure within 3 spaces of it, one at a time. After placing a Wound Marker on a figure this way, you may place that figure on any empty space exactly 1 space away from its original placement. Figures moved this way will not take any leaving engagement attacks.

### TOUGH

When rolling defense dice against a normal attack, Propane Tank always adds one automatic shield to whatever is rolled.
