

**BAT-GRAPPLE**  
(SWINGING MOVEMENT)

**UTILITY  
EQUIPMENT GLYPH**

Instead of its normal move, if this figure is tiny, small, or medium, it may move up to 3 spaces with Bat-Grapple. When moving with Bat-Grapple, this figure has the Flying special power, but may not move up or down more than 30 levels in a single grapple, and will not take any leaving engagement attacks.
