(COMMON ANDROID CONTROL)

**INVENTION
EQUIPMENT GLYPH**

After revealing an Order Marker on this figure's card and before taking a turn with this figure, you may roll the 20-sided die. If you roll 15 or higher, take temporary control of 3 Common Android figures; otherwise, take temporary control of 2 Common Android figures. All figures chosen this way must be within 8 spaces of this figure. Take a turn with the chosen figures. After using this special power, you may only take a turn with the card that you revealed an Order Marker on this turn.
