FIBERGLASS SKATEBOARD

(MOVEMENT MOMENTUM)

UTILITY EQUIPMENT GLYPH

During this figure's normal move, for each level of height it moves down, it may move 1 additional space to a maximum of 3 additional spaces. At any point before or during its normal move, this figure may subtract 2 from its movement to ollie 1 space, or 2 spaces if it has the Skate Pack special power. While ollieing, this figure has the Flying special power, but may not move up or down more than 4 levels in a single ollie.
