BRIDGE OF THE GODS BATTLEFIELD

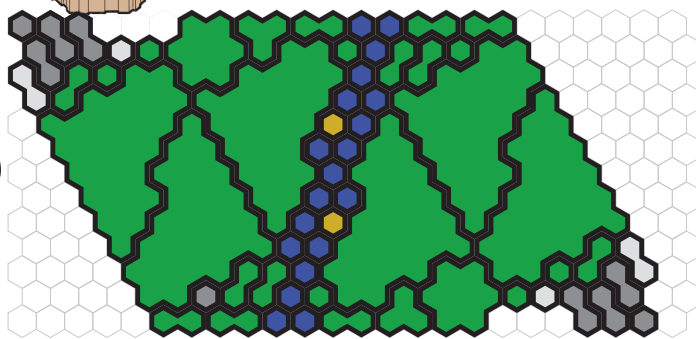

Required Sets:

Rise of the Valkyrie™ Master Set, Fortress of the Archkyrie™, Road through the Forgotten Forest™, 2 Marvel The Conflict Begins™ Master Sets

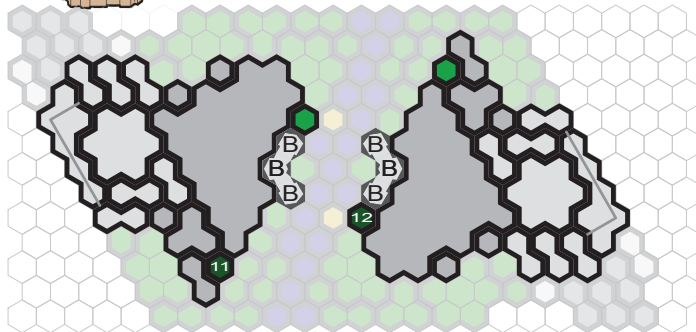

Native American legend talks about this bridge connecting what is now known as Oregon and Washington. It was just fallen stone then but was the only way to cross the great Columbia River. Later, in 1926, a modern version of the bridge was completed. But now, in the age of superheroes, will the bridge again become part of myth and legend? I guess it all depends on if that bomb gets defused....
