

# C3G EXCLUSIVE BATTLEFIELD

## CELL GAMES ARENA

**Required Sets:**  
 Rise of the Valkyrie™ Master Set, Fortress of the Archkyrie™ Expansion Sets, Road to the Forgotten Forest Expansion Set x 2 (only the trees are needed from the 2nd set), along with the following additional Destructible Objects and Terrain:  
 Ruined Battlement x4

*The Cell Games Arena is the martial arts arena that Cell constructed for the Cell Games. It is located in a rural, mountainous region between the Northern Wastelands and the Divine Crossing, north of Mutaito's Training Grounds. The arena became the starting ground for the first official match between Perfect Cell and Goku. As the fight progress between the two opponents, the arena took on more and more sustained damage.*
