

C3G EXCLUSIVE BATTLEFIELD

Battlefield: Island Sanctum

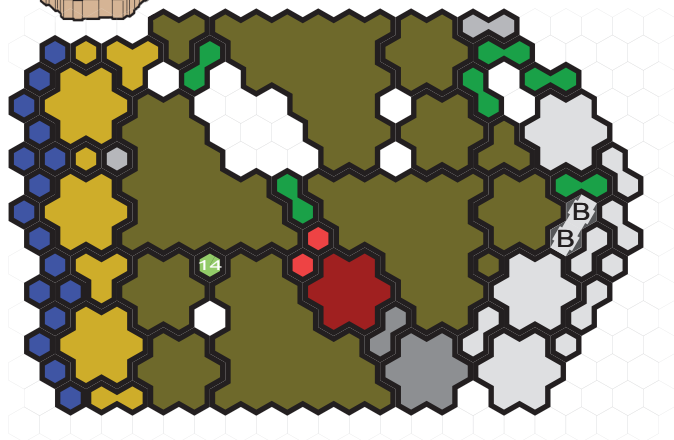

ISLAND SANCTUM BATTLEFIELD

Required Sets:

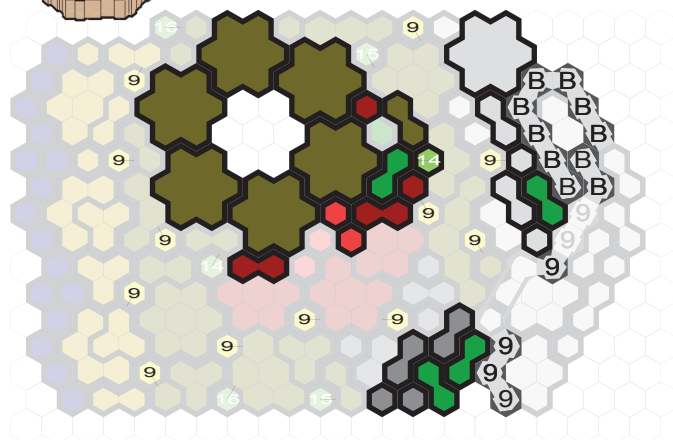

2 Swarm of the Marro™ Master Sets,
2 Marvel™ Master Set, Fortress of
the Archkyrie™, 2 Ticalla Jungles™,
Volcarren Wasteland™

Deep within the heart of an obscure and hidden jungle lies the a most sinister base for the world's most devious villains. Just like the raging fires within the hearts of this bases' inhabitants, there is also a volatile fire that burns beneath the very foundation of this remote laboratory. Just outside the door there is a boiling hot anger from the earth that is beginning to erupt, and as its temperature rises, so does the fury of the villains that operate this base.
