

C3G EXCLUSIVE BATTLEFIELD

IVY'S GREENHOUSE BATTLEFIELD

Required Sets:

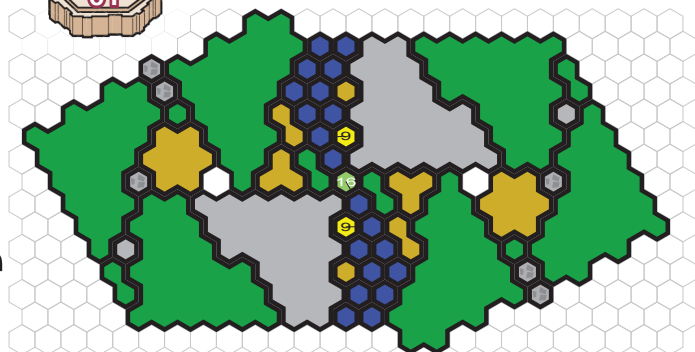

Rise of the Valkyrie™ Master Set, 2 Road through the Forgotten Forest™, Ticalla Jungle Set™

In an abandoned stretch of barren earth on the edge of the city, littered with discarded waste, Poison Ivy found the perfect headquarters for her nefarious plans. Using her powers, Ivy transformed the area into a lush, tropical paradise. Despite the newfound allure of the area, the mesmerizing scent of pollen drifting through the air hints at the danger that lurks behind every frond...
