 2 Fortress of the Archkyrie™,
 2 Marvel: The Conflict Begins™ Master Sets,
 Road to the Forgotten Forest Expansion Set

Bombed-out buildings and empty streets flank what was once a center of commerce and conversation. In a country torn by civil war, city squares such as this quickly became places of great strategic value. After months of relative quiet, things have begun to escalate once more - and, as more and more powerful forces come to clash among the rubble and ruin, the conflict may have just begun.
