

**BLACK MASK**  
ROMAN SIONIS

**ARKHAM UNLEASHED**

If Black Mask is on the battlefield and all your Order Markers are on the cards of Crime Lords you control, Insane figures you control have the class of Criminal instead of what is listed on their cards.

**UNDERWORLD CONNECTIONS**

After revealing an Order Marker on this card and taking a turn with Black Mask, if Black Mask did not move during his turn, you may rearrange any unrevealed Order Markers on Army Cards you control and immediately take a turn with a Unique Crime Lord or Unique Criminal Hero you control within 5 clear sight spaces of Black Mask. You may not take any additional turns with any other figures.

**TORTUROUS INTERROGATION**

After a figure you control attacks an opponent's figure with an adjacent normal attack, if the defending figure receives at least one wound and is engaged with Black Mask, that opponent may immediately reveal and remove one unrevealed Order Marker from any Army Card that opponent controls.

If your opponent does not reveal and remove an Order Marker, the defending figure receives 1 wound. Figures with the Super Strength special power are not affected by Torturous Interrogation.
