

# C3G EXCLUSIVE BATTLEFIELD

## CITY PARK BATTLEFIELD

**Required Sets:**  
 Rise of the Valkyrie™ Master Set,  
 Road to the Forgotten Forest™ x2,  
 Marvel The Conflict Begins™ Master Set x2

As cities bloomed with busy streets, factories, and skyscrapers, their inhabitants began to long for the simple greens and blues of nature: and so, the city park was born. Parks such as this are filled with grasses and trees along with concrete fountains and crisscrossing paths. Unfortunately, they're never truly wild, and a park can tend to attract the ills of the city it inhabits, becoming no stranger to crime, litter, and the occasional superheroic brawl.
